Dear James,

You may know that we print a lot of orienteering maps for the young men who run Stirling Surveys and specialise in the work. They prepare all the films for us and we often print three or four actual maps on one sheet of A2.

As we have just completed an order including the Bennachie one, I thought you would like to see it.

I don't know who is organising an event or when, and you will probably know who Deeside Orienteering & Leisure Maps is. If the Bailies thought this could be of some interest, the etiquette would be to contact them.

Best wishes.

Yours sincerely,
