N.B. This list will be updated annually as required.

The library also holds books which have been donated by authors or acquired directly by the Bailies of Bennachie. The Bailies' own books and the individual donations and bequests have, for convenience, been integrated into the Dr Daniel Gordon Collection.

The oak bookcases in the Bailies room were provided by the Bailies to house all the books in their possession. In particular, the two glass fronted cupboards have the major collections; that on the left, the Dr Daniel Gordon Collection; that on the right, the Mrs Helen P. Fraser Collection.
