Dear Eric,

I must apologise for being so tardy in thanking you for your donation of a set of Bailies' calendars to the Bailies, as they will prove very useful as archival material, and I don't think that there is as complete a set available. As there is more storage space now that extra cupboards have been built, we are happier to accept anything connected to the Bailies.

Now that 25 years have passed since the founding of the Bailies, we look forward to the next 25! I hope that you are keeping well, and as people frequently ask me still "Are you enjoying your retirement"?

Many thanks once again
Yours sincerely
