Dear Judith,

As you requested, so that you can properly assess whether the company will help us to achieve our aims by funding our replacement video production, I have obtained a range of costings for the work.

I enclose all the responses for you to have a look at but for the sake of simplicity, I summarise them below.

For my own part, I must admit to preferring the costing from Cinecosse. Of all the companies who responded (unfortunately, Format did not respond for some reason), Cinecosse were the ones who asked the most competent questions about what the aims of the work were to be.

	Video	Duplication for 100 off
Cinecosse,	£12,494.90	£890
Grimley,	£10,949	£585
Video Prod'n Unit, -	£15039.49	Included
NCTV,	£9,375	Included
AVN,	£14,330	£460

Notes;

1. All the above costs are exclusive of VAT.
2. I have since learned that NCTV are being closed down by the Education Authority.
3. Grimley, produced our original video.
4. AVN quotation assumed by Northlite who have aquired the business.

I would be very grateful if I could get the original documents back once you have considered our request. I will give you a call from offshore when I get back there on February 28.

Bearing in mind the nature of the offer from Bristows, and that it is dependent on Shell doing the principal funding, could you estimate how long it might be before I can let them know one way or another whether we will be able to proceed with the project.

Once again, thanks very much for your help whatever the outcome of your considerations.

Best regards.

Paul Stallard.
Clerk to The Bailies of Bennachie.

ps. We bought our main computer last week with the aid of the £350 contribution you sent to us.

Dear Paul

Following our recent meeting in the office, I would like to confirm that Shell Expro will be delighted to sponsor the production of a video on the Bennachie Range.

As discussed with yourself and Claire we agree to follow your recommendation that the best company to hire for the production is Cinecosse at a cost of £12,494.90 for the video plus £890 for 100 copies.

I would be happy to attend any future meetings between the Bailies, Bristows and Cinecosse to discuss arrangements.

Best regards
