Mr J. Atterson  
The Conservator  
Forestry Commission  
Conservancy Office (North)  
21 Church Street  
Inverness

Dear Mr Atterson,

I have been asked by the Council of the Bailies of Bennachie to thank you for the time you spent with us recently. We found the meeting very useful and we hope that it was of some benefit to yourself.

We were particularly pleased that you undertook to investigate the circumstances surrounding the sale of Commission land on Ben Lomond, and also the possibility of the Forestry Commission issuing a "letter of intent" to the Bailies. We look forward to hearing from you on these matters.

We understand that Mr Marnie has recommended that a lease for the fishing of Afforsk Pond be issued to the Bailies. Despite the problems with the dam, we hope that this project can go ahead soon. The area has been greatly enhanced by the work done by the Commission.

yours sincerely

Clerk
