Dear Mr Davidson

BUCHAN FOREST DISTRICT. THE BAILLIES OF BENNACHIE.

As you may be aware, Mr Atterson has recently become concerned that matters between the Baillies and the Commission should be put on a somewhat more formal footing.

He therefore instructed me to prepare a simple form of agreement and has approved a first draft, a copy of which I forward to you for your observations. You will note that it is in the form of a letter setting out the background and the first paragraph may well be altered by Mr Atterson when putting the final offer to you. What he would like, however, is your observations on items 1 to 6 inclusive, and any other points you would wish to see included.

I look forward to hearing from you when you have considered this and have consulted your committee.

Yours sincerely

H C Cooke
