Dear Mr Davidson

Following receipt of your letter of 18 September, Mr Atterson sought some information from Mr Marnie and from myself, and he has now instructed me to discuss the matter with you.

I have tried to contact you to leave a message at your home address (presumably you would not normally be available during working hours) but have so far been unsuccessful. This being so, perhaps you could contact me at your convenience.

In the meantime, I can say that one of the matters which gives Mr Atterson considerable concern is the question of liability to Third Parties in respect of any activities by the Bailies on Commission land. It may be that the Bailies carry Third Party insurance in respect of any claims, but we should be interested to know the position.

I look forward to hearing from you in due course.

Yours sincerely

H C Cooke
