Dear Sir,

**Jacket for Bailies' Video "Postcard from Bennachie"**

I should like to receive a quotation for 500 jackets for the video. The front would have the picture of Bennachie similar to the one on the front of this year's calendar, with POSTCARD FROM BENNACHIE at the top, and Bailies of Bennachie at the foot. The spine would have the video title. The text at the back would be worded as follows:-

"Work on the video of Bennachie began in early 1995. It features aerial views of the Hill which few have seen before or may ever see again.

An approach for major funding assistance was made to Shell U.K. Exploration and Production and they, together with Bristow Helicopters who graciously provided an aircraft for the work, enabled the project to go ahead.

What has been achieved is a video which displays all the beauty and grandeur of the Hill and which will bring a smile to many a face. Indeed it is hoped the video will bring as much pleasure and learning opportunities to those who view it, as its development has to those involved in its production.

As well as the Council of the Bailies of Bennachie, many others have helped in the production of the work.

Jason and Colin from Bristows: Primmy, Ally, Eilidh anmd Alan from the Garioch Youth Theatre with their friends who helped out as cast

Music from their album "New Tricks" was given freely by a local band "The Old Blind Dogs."

Paul Stallard and Clare Smith, co-ordinators of the project, are indebted to Fred Gordon who gave much time from his already stretched schedule to narrate the work; to James MacKay and Algy Watson for ensuring the accuracy of the video and provision of photographic material; to Ethel Davidson and James Glennie for verse and to all those who helped in its production.

2.

The Bailies wish to acknowledge the valuable work done by Forest Enterprise in construction and maintenance of the paths for which it is responsible.

Produced by Cinecosse, Ellon"

**2. Folder for Membership Pack**

Thankyou for sending the samples for the cover. The 200 gm weight would appear to be the more suitable, so I should like to order :-  
500 covers of the 200 gm weight paper, with the same cover picture as the video jacket, labelled "MEMBERSHIP PACK" , and "BAILIES OF BENNACHIE" in similar positions to the writing on the jacket.

Yours sincerely

Dr Geoffrey Gill  
Clerk to the Bailies of Bennachie.
