Dear Julie

The Council of the Bailies have asked me to write to you to say that it was with regret that they heard that you are leaving Aberdeenshire and wished to express their sincere thanks for your help and co-operation in assisting the work of the Bailies during your time in the North East.

However, as another door opens in your career, the Council wishes you the best of luck and every success in your new post.

Yours sincerely

Geoff Gill
Clerk to the Bailies
