Dear Sir,

FENCE APPROACHING THE MITHER TAP, BENNACHIE.

Thank you for your letter of 17th February, 1989. I would agree that the rebuilding of the Rushmill Burn fence is a necessary operation and will refer the matter to the Bennachie Working Group for further consideration. I would anticipate that the work could be funded from the Council's Countryside Projects budget and implemented by Grampian Employment Training Limited at Huntly.

As Mr White mentioned to James Mackay a written authorisation would be required from Theo Smith to allow the works to take place and once this is received I would be grateful if you could forward a copy as soon as possible

Yours faithfully

Director of Planning
