

**Baillies of Bennachie have  
a picnic-on the hill, of course!**

THE Baillies of Bennachie, a new association formed in May to protect the amenities of the hill, held their first outing yesterday—a picnic on Bennachie, of course.

Our picture shows senior baillie Dr Daniel Gordon (left), who opened the rally, with some of the picnickers.

The picnic, attended by more than 160 baillies, their families and friends, was held at the car park at the back of Bennachie.

The association aim to control litter, consider sign-posting and cairn-building, and co-operate with the Forestry Commission on rights of way.
